Subject: Contract GS-500

Reference: LH 752, 13 August 1959

Dear Dick:

Upon examination of your proposal in reference letter, we cannot entertain a revision in the overseas differential rates as you proposed.

Although a valid comparison with other Tech Reps may not be possible, a listing of the dollar accruals to Hycon personnel far exceeds the benefits derived by Tech Reps from other companies. In view of this we cannot concur to an increase in the Differential.

We plan to visit your company during the last week of September and can discuss this more fully then.

Yours truly,

Dan
